**DETAILED ACTION**

***Allowable Subject Matter***

Claims 1-8 and 15-26 are allowed.

The following is an examiner's statement of reasons for allowance:

Arguments filed on 9/26/08 are persuasive to overcome the prior art rejections.

Specifically, arguments are persuasive in identifying that Stern fails to disclose or suggest the limitations "wherein the cavity has at least one opening; and removing the sacrificial layer by a release etching process with an etching reagent through the opening ..." (Remarks Pages 5-6).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
